

PLANO SPOT 7TC

:: Product Description

- * Super compact RGB LED-projector containing 7pcs high power RGB 3Watt LEDs
 - * Same functionality and form factor as Plano Spot based on 5mm but much brighter!
 - * Beam angle = 25° (medium spot)
 - * Many applications possible: Discotheques, DJs, exhibition booths, Staging/ Rental Companies, Church stage, School Stage, Theatres, homes, ...
 - * Can be fixed in ALU-truss like any standard LED PAR, using a standard clamp
 - * Can be used as floor projector, under any possible projection angle
 - * Super compact housing, perfect for hiring companies!
 - * Very smooth RGB color changes thanks to high freq. dimming electronics
 - * Different working modes:
 - * Standalone: custom colors selectable or automatic and beat synchronized color changes
 - * Master/slave mode: up to 16 units can be used together for wonderful preprogrammed, music synchronized lightshows.
- (optional CA-8 controller possible)
- * DMX-controlled: 4modes, 4channels (R, G, B + Dimmer/strobe/sound chase)
 - * Controlled by LEDCON-02 DJ-controller
- * Different ways to set DMX start address:
 - * Fast remote DMX addressing using any standard DMX-controller.
 - * In master/slave mode you can address all units automatically.
 - * IEC mains in/outputs: easy daisy chaining of several units.

- * Mains Input: 230V 50Hz
- * Power consumption: 28,5Watt
- * Fuse: 250V 6,3A slow blow (20mm glass)
- * IEC input/output daisy chaining: 40pcs
- * Sound Control: Internal microphone
- * DMX connections: XLR 3pin
- * LEDs: 7 LEDs 3IN1 3W
- * Beam angle: 25°
- * Weight: 2.5 kg
